

Practico Manual

Practico Manual is a user-friendly manual surgical table solution

Practico Manual is a versatile manually operated surgical table that enables a wide range of configurations for all types of surgical disciplines. The lifting capacity of 400 kg and the SWL of 180 kg make the Practico Manual operating table suitable for various patient weights. The unique base design allows for closer access to the operating field whilst reducing lower back fatigue on the surgical team. Thanks to the stainless steel table top design the Practico manual surgical table is a perfect choice for demanding climate conditions.

Highlights

Practico Manual is a user friendly manual surgical table solution. Its high capacity lifting and safe working load make it the perfect solution in the most demanding environments.

1. Fluent lock
2. Fluent lock
3. Easy to grip handles
4. Smooth height adjustability
5. Quick lock/unlock brake system
6. Close access to the table

Benefits of the Practico Manual operating table

1. FLUENT ACCESS

The unique base design allows for closer access to the operating field.

2. VERSATILE

Practico Manual can be configured to adapt to many surgical applications thanks to its semi-modular design.

3. QUICK AND EASY

Practico Manual can be set up quickly even in the most challenging environments.

4. READY FOR ALL ENVIRONMENTAL CHALLENGES

The design of the stainless steel table makes the table suitable also for demanding climate conditions.
